Sir:

An Examiner's Amendment was entered on March 30, 2005. Applicants assert that the Amendment is clarifying in nature and was not intended to, and did not, narrow the claims. The Examiner also stated reasons for allowance. While those stated reasons are believed to be correct, they are not believed to be the sole reasons for allowance and there may be additional reasons for allowance. The prior art should provide the sole limitation on the allowability of the claims.

Respectfully submitted,

Robert R. ARCYKIEWICZ, et al.
